

I hereby declare that this bachelor thesis is written independently and that I have not used sources and aids other than those indicated. I have clearly marked all passages that are quoted or paraphrased from other sources (incl. translations). In each individual passage, I provided the exact source (incl. the World Wide Web and other electronic data collections). This also includes attached drawings, illustrations, sketches and the equivalent. **I assure that I have marked all direct and indirect quotations as such when using AI-based text generators.** I acknowledge that the proven omission of the indication of origin of the source will be regarded as attempted deception.
